

English Speaking Roadmap

A step-by-step roadmap to help you speak English fluently. Follow each phase progressively and practice daily.

Phase 1: Foundations (Weeks 1–2)

- Learn common phrases: greetings, introductions, simple questions (e.g., 'Hello, how are you?', 'My name is ____').
- Focus on pronunciation using YouTube or Google Text-to-Speech.
- Practice simple self-talk (e.g., 'I am drinking water.', 'I am learning English.').

Phase 2: Vocabulary & Listening (Weeks 3–4)

- Learn daily-use words: food, travel, family, work.
- Listen to English songs, podcasts, or videos and repeat phrases exactly.
- Write 5 new words daily and make sentences using them.

Phase 3: Grammar Made Easy (Weeks 5–6)

- Learn simple grammar rules: present/past/future tense, articles, prepositions.
- Speak simple sentences daily using these rules.
- Focus on speaking, not perfection.

Phase 4: Practice Speaking (Weeks 7–8)

- Talk to yourself daily for 5–10 minutes.
- Use apps like HelloTalk or Tandem to chat with native speakers.
- Record your voice and improve pronunciation.
- Start short conversations with friends or family.

Phase 5: Thinking in English (Weeks 9–12)

- Describe your daily routine in English (e.g., 'I woke up at 7. I had tea. I went to school.').
- Think in English before speaking.

- Role-play situations (ordering food, asking directions).

Phase 6: Fluency & Confidence (Weeks 13+)

- Watch English movies or series with subtitles.
- Shadow native speakers: repeat exactly like them.
- Join online conversation groups.
- Speak without fear of mistakes.
- Write small diary entries in English.

Extra Tips

- Consistency: speak 10–15 minutes daily.
- Record yourself and compare with native speakers.
- Think in English, not translate from your native language.
- Make mistakes: every mistake is a step forward.
- Set daily goals: 'Today I will learn 5 new words' or 'I will speak for 5 mins in English'.

Follow this roadmap step by step and practice daily. Your English will improve steadily with consistent effort.
